Under Armour Cold Weather Gear:

Orders must be prepaid and placed before November 31st, 2009.

Orders placed after November 31st will be subject to a 10% surcharge.

Jackets **MUST** be ordered before **November 31st** in order to have them by **February 1st, 2010**.

Unless other arrangements are made all available orders will be delivered at the ACUA Meeting in January.

If an order has to be shipped, the cost of shipping plus a handling fee of \$3 will be added. If it will fit in a USPS priority mail box that's the shipping that will be used.

I'm making every effort to keep the costs as reasonable as possible for ACUA members. In the future I may be able to stock some items but this year it's just not possible so please understand you need to let me know as soon as you know you need something. Most items are ordered straight from the manufacturer and are subject to their shipping time and availability. It's possible I may have some hats on hand just call and ask.

All jackets are manufactured after they are ordered; I will not have them in stock so please if you think you need a jacket this year order one by November 31st.
